

# S.U.M.R. Camp

## Starlite Ultra-Marathon Retreat

### Additional Information

**Bus:** We will be taking a school bus from Bear River Friday at noon. Please be at school no later than 11:30. Chaperones will still need to drive, so that they can shuttle students from the hwy to the camp and because the bus will not be bringing anyone home.

**Getting to the Camp:** Search "12707 Zeibright Rd, Nevada City" in Google Maps  
The 3 mile road from Hwy 20 to the camp is rough, dirt, & narrow. I drove it just fine in my small economy car, but a truck/SUV would be better if you have one.

**Cell Phones / Signal:** Phones will be useful at camp for: 1. Taking pictures 2. Alarm clock.  
3. Viewing Itinerary (download the PDF to your device from home)

Phones will **NOT** be useful to call/text/etc. There is no signal at the camp. Think of it as an off-the-grid vacation!

**Dorms:** There are two dorm buildings. The girls will be in the main lodge (same building as the kitchen). The boys will be across the road. Bunk beds are arrayed barrack-style, so you'll be pretty much in one room. There are multiple bathrooms/showers.

**Food in Dorms:** There are bears in the area and food needs to be locked up. (Food in the kitchen is put into a locker overnight). Do not bring food (candy) into your room over night.

**Performance for Parents:** There will be a short performance for parents in the amphitheater at 2:30PM on Sunday. Plan to arrive a little early because of the road condition. We don't know exactly who's coming, so we'll start on time and it will only last 15 minutes at most.

**Parking for Parents:** When you arrive, drive all of the way through camp until you pass the buildings and the road curves left and downhill. Park in the field on the right and then walk back to the amphitheater.

**Transportation home:** The goal is for parents to take their own kids home after we clean up on Sunday. If you can not be there to do this, please email Mr. Ahrens so arrangements can be made. If you would like to allow another parent to sign out your student and drive them home, Mr. Ahrens needs to have that request from you in writing (email) prior to the camp.
